Silver Bullets dodgeball team to donate \$580 to Haiti

The Silver Bullets took home the trophy at the fifth annual Dodging for Dollars Dodgeball Tournament at Immaculate Conception High School this month and will donate \$580 to the parish's Hope for Haiti project in return.

Hope For Haiti is the parish's Lenten project. The Silver Bullets beat out the Visitation Vikings for the top prize.

Team members were junior Katelyn Conenna, junior Kaleigh Dempsey, senior Conor Hendricks, senior Jose Godinez, junior Danny Ribando, junior Charlie Pulkownik, and junior Nick Mrugacz.

Dates not required for Senior Citizen Prom

No dates are needed for the Senior Citizen Prom sponsored by York High School and Lexington Square on May 1.

The prom features a live band and will last from 2 to 4 p.m. May 1 at Lexington Square, 400 W. Butterfield Road.

Admission is free and refreshments will be provided.

RSVP to Student Council sponsor Matt Moran at MMoran@elmhurst205.org or call (630) 617-2400 ext. 7285. Leave a message with the number of people attending.

Kickoff for Kids to host golf outing May 4

The day includes 18 holes of golf, lunch.

According to its website, Kickoff for Kids is "dedicated to enriching the lives of local kids" and strives to "ensure that all children have the resources necessary to maximize their chance to a successful life."

Bags tournament raises \$1,800 for scholarship

The "Cabin Fever, Bags for Wags" bags tournament raised about \$1800 for a scholarship named for a Visitation School graduate who was tragically killed in an auto accident in 1993.

"This event was extremely encouraging. Having the support of people who grew up with Brian and gaining more support from all of Elmhurst will help the future of our cause and solidarity in the community," Mark LaShure, Vice President of Brian E. Wagner Scholarship Fund, said.

The BEWSF was established last September and the group aims to award its first scholarship to a high school senior from Elmhurst next school year.

"All our hard work will be even more gratifying when we award our first scholarship," BEWSF President Peter Zamar said in a statement. "I know we are all inspired by the impact Brian made in our lives. By recognizing students that take pride in making a difference, we have begun a new tradition that we intend to last for future generations."
